

Mihika Sharma

ASPIRING DATA SCIENTIST AND DEVEOLPER

Profile

As a budding developer and data scientist, I am passionate about leveraging technology to solve complex problems. With a solid foundation in programming and statistical analysis, I am constantly working to expand my skill set and refine my problem-solving abilities. I am dedicated to harnessing the power of data to drive strategic decision-making and creating innovative solutions that make a tangible impact. Whether crafting code or analyzing datasets, I am committed to pushing the boundaries of what is possible and growing both personally and professionally.
